WHY: Elevate Hope Foundation is to offer essential funding needed to support community centers, programs, and services that directly assist the epidemic of neglected, sexually and physically abused, and abandoned children. Funding from Circle of Passion, will support the creation of the Compassion Care Center Of The Arts, a location that will house and assist neighboring facilities through music and the arts.

ABOUT ELEVATE HOPE FOUNDATION: Elevate Hope Foundation is dedicated to providing abused and abandoned children with an alternative method of therapy through music and the arts. EHF is committed to funding special services and programs to assist the needs of children.
